

Has God called you to ministry? Or would you like to learn more of the Word of God?

Whatever your purpose, we will prepare you! We are calling all those thirsty, willing and ready to serve Jesus and His Church.

Destiny & Dominion Bible Training Center is a non-accredited school offering courses to students in preparation for ministry and life's call. As well as to those simply seeking a deeper study of the Word of God.

DDBTC has a primary focus and concentration on disciplines that pertain to the ministries of the local church. The educational training is also preparing and equipping the individual to be able to provide support to the work of the ministry either inside and/or outside of the local church.
